Thanks for letting me know, Deb. Yes, I would like to join the call if possible. Just let me know what the call in number is once that's established.

We issued a TD earlier this week to assist the Regions and OGC in outreach regarding the claims process and setting up and staffing a call center for the claims process. I've attached it above as an example to start with.

## Deliberative Process/Ex. 5

I am available on my cell phone to discuss and once acquainted with the needs, could work with Gina to write a new TD for this.

Gina is out today working on her dissertation, but may be monitoring emails.

My only meeting is at 6 pm today.

Hi Gina and Deb.

I just wanted to give you a heads up that Larry Zaragoza or Shahid Mahmud will

## Deliberative Process/Ex. 5

please send Larry and Shahid a blank support request to fill out? (I can't find the current CPRS file in the share directory).

If you are free today, I can check Larry's availability and set up a quick call.

However, I'll be out tomorrow and Friday and then again after next Tuesday. Tina is currently out of the office through next week. Thus it's likely that Larry and Shahid will be setting up support directly with you and without Tina or my assistance.

Larry and Shahid.

Attached for reference is an example of a directive under the Conflict Prevention and Resolution Services (CPRS) contract.
